SECOND SKIN RUBBER SPRAY PAINT

GLUEDEVIL SECOND SKIN RUBBER SPRAY is a synthetic rubber-based aerosol that creates a colour custom base to most surfaces such as metal, wood, glass, fabric and rubber. It provides a protection from moisture, acids, abrasions and extreme weather conditions. Perfect for customizing your vehicle and rims, and instantly removable when you want to try something different.

QUICK DRYING . BRIGHT & SMOOTH FINISH . INTERIOR & EXTERIOR USE . EASY REMOVAL

APPLICATION

1. Clean surfaces, by removing all dirt, grease, rust and loose paint.

4. Spray a thin 1st coat from a distance of 10 - 25 cm .

2. Line tyre rim with business cards, to protect the tyre and guide paint.

5. Drying time is approximately 15 min between coats. At least 4 coats is recommended.

3. Shake SECOND SKIN for 2 minutes making sure that the material is mixed evenly.

6. Final cure needs 4 hours. 12 - 24 hours if condition require longer.
